**AUGUST 2025 NEWSLETTER**

ALMOST CHRISTIAN

We all have gaps between who we are and want to be. We all have gaps between who we are and Who God is—Who Jesus is. Closing the gap between knowing about Jesus—**being almost Christian**—and walking with Jesus is all about the journey of taking the right steps to close that gap. But rarely is a trip or vacation done alone. Find the **experience and connection** you long for as we close the gap **together**.

The gap-closing equation to do together:

7/27 – High Standards - Jesus calls us to a higher standard—not to shame us, but to stretch us. Like your favorite teacher or coach who challenged you and got the best out of you. Step into the challenge to discover what we're truly capable of with Him and to be a part of something bigger than ourselves.

8/3 – High Standards + Assurance - Closing the gap requires more than being challenged, we need support along the way. Jesus doesn't just lead us—He joins us, modeling for us how to encourage and inspire each other on the journey.

8/10 – High Standards + Assurance + Direction - We may know "what," but often lack in knowing "how." We and those coming after us need direction in closing the gap.

8/17 – High Standards + Assurance + Direction + Support = Growing Stronger - Mufasa said it best: "If you want to go fast, go alone. If you want to go far, go together." Where do you want to go in your journey? And do you want to travel in strength?

It was beautiful to see everyone come together and the excitement that came from that!
Some precious moments to share:

- Watching the kids fall in love 💖 with their Bibles 📖 in their own child-like way!
- Watching the Crew Leaders 👯 love the kids in their crew, and watching the kids in the crew love each other because of that!
- Witnessing parents wanting to be a part of their child's faith 🙏!
- Watching the Station Leaders bring the same energy ⚡ to each rotation!
- Witnessing all the "behind-the-scenes" people devote their time 🕒 to whatever job needed to get done ✅!

A delicate watercolor floral wreath encircles the text. It features large, soft pink and white roses, smaller white and pink blossoms, and clusters of tiny white flowers. The leaves are painted in various shades of green, from light sage to deep forest green, with visible watercolor textures and soft edges.
